Extract from the Constitution (2013)

Full Member

An institution shall be eligible for full membership if:-

The institution provides education and training for personnel in, or intending to join, the Merchant Navy (MN) or Fishing Industry

and

The institution offers the total shore-based training requirements for at least one complete MCA (or equivalent IMO White List country) Certificate of Competency and/or one complete MNTB approved maritime award

Associate Member

Institutions which do not fully meet the criteria for Full Membership but which in the opinion of the Association can promote the interests of maritime education and training, shall be eligible for Associate Membership

Affiliate

Organisations or persons which support, sponsor or are actively involved in the promotion of careers and/or training in the maritime industry.

When considering applications the IAMI Directors shall take into account:-

- Recognition, if appropriate, by MNTB, SFIA, SQA and MCA in the UK, or their equivalents in other countries, and by relevant Awarding Bodies, as an approved assessment centre for the award of MN and Fishing qualifications and/or Certification. IAMI Secretariat must be informed of any loss in external recognition or approval by a maritime administration or awarding body.**
- The significance of the Institution's contribution to the training needs of either the MN or Fishing Industries within the sector in which it has chosen to make provision**
- The total number of full time equivalent teaching and support staff committed principally to marine education and training**
